Data Analysis and Graphics Using R – An Introduction

This is now available from:

http://wwwmaths.anu.edu.au/~johnm/r/r4dat-gr.pdf

The scripts are in the text file

http://wwwmaths.anu.edu.au/~johnm/r/r4dat-gr.dis

Data sets are in the directory

http://wwwmaths.anu.edu.au/~johnm/r/

They should be input to R using **source()**, e. g.

```
> source("moths.R")
```
